

Tilting circular saw

Wisa 700M

The type Wisa 700M is a user friendly and secure solution for working with wood in agriculture and forestry.

It is very easy to use and has a clear and simple handling. It meets the strongest requirements due to its fully galvanised and powder-coated all-steel design.

The chassis with its handhold and a full rubber wheel makes an easy transport possible.

*This tilting circular saw
meets all requirements!*

Types overview

Technical information

Design model	Tilting circular saw Wisa 700M
Type	Fully galvanised and powder-coated all-steel design
Saw blade	Ø 700mm
Cutting depth	300 mm
Drive	Electric motor 4,0 KW, 5,5 KW or 8,0 KW 1400 rpm
Electricity	Switch-plug-combination 16 A with phase inverter (400V)
Weight	105 kg
Further details	Special circular saw engine with overheating protection, extraordinary strong grey cast iron case, electronic motor brake and steel muff

Wisa 700M

Type overview tilting circular saw Wisa 700M

Saw blade	engine	port	Item num.
700 CS-KV	4,0 KW; 400 V	16A, 5-pole	31.119
700 HM-LFZ	4,0 KW; 400 V	16A, 5-pole	31.120
700 CS-KV	5,5 KW; 400 V	16A, 5-pole	31.125
700 CS-KV	8,0 KW; 400 V	16A, 5-pole	31.130

Accessories

Accessories	Item num.
Off-road wheel, galvanised/powder-coated	39.003
Chassis with two wheels and a lift hold	39.005
Tilt extension left	39.020
Tilt extension right	39.022
HM – saw blade	42.108

Technical and optical alterations are possible
